Dear CEO,

The Acts Experience Incorporated have actively built strong communities and changed lives through their philanthropic efforts since 2017. ***Our mission is to build strong communities one act of kindness at a time.*** We do this by producing community outreach days that include, but are not limited to free food and necessity giveaways for families, student scholarship giveaways, and building community properties that house companies and organizations that have been established to better the community.

We are hosting our ***100,000 Random Acts of Kindness campaign*** starting Sunday, July 28, 2019 until Sunday, December 22, 2019. Last year's campaign season was such a huge success that we decided to host it again!

In the past, this campaign has raised close to \$10,000. With these funds we have been able to:

- *Assist COA Nigeria, a non-profit organization in Abuja, Nigeria, find a facility to hold worship services and educational classes for the local community.*
- *Award funds to Perez Charity Foundation, in Ghana, with funds to build a well in the Accra.*
- *Award local Georgia businesses with start-up capital.*
- *And dedicate to feeding over 50 local Georgia families in need.*

Our goal is to raise the bar and raise \$100,000 for our future endeavor to fully serve the Henry County, GA and Abuja, Nigeria community with acquiring two (2) facilities that will be able to house local start-up businesses and organizations that are established to help better those communities such as we are. We were hoping that you could help us reach this goal.

By becoming one of our corporate sponsors, you'll not only be able to assist us with building strong communities, but we've listed out some of the incentives and perks that you or your company can enjoy should you decide to sponsor our work (***see electronic Sponsorship Levels Document & the details of***

our future projects on our website). Regardless the amount you choose to give, you or your company name will be included on our website in our press release and will be announced at each of our events for the remainder of the calendar year.

We are accepting monetary donations, buildings, property donations, and any like services. Feel free to make a contribution that you're comfortable with.

If you are ready to make a donation, please fill out the electronic ***Sponsorship Levels Document*** on our website at www.actsexperience.org and make your contribution today!

I'd like to thank you in advance for your generosity. Please don't hesitate to contact me directly at 678-508-5152 or awe@actsexperience.org if you have any questions.
